**Plan Review Fees**

The District shall charge fees for plan reviews. In addition, standardized administrative costs and miscellaneous supplies and services may be billed.

Fire Department Water/Access review .....**\$100.00 Residential**  
**\$150.00 Commercial**

**Open Burning Violation Responses**

Open burning violation responses will be billed a \$160.00 minimum fee which includes the first thirty (30) minutes of apparatus and staff time. Responses requiring multiple units, lasting longer than thirty (30) minutes or requiring additional site visits, may be billed using established hourly rates for all apparatus and staff committed. In addition, standardized administrative cost and overhead cost will be added to each invoice for response greater than the minimum fee on a per hour basis using applicable staff rates based upon the then current Board adopted wage scale and the OSFM rates and fee schedule for volunteers established by this Appendix A. In addition, standardized administrative costs and overhead will be added to each invoice.

**Transportation Route Responses/Vehicle Fires**

Transportation route responses will be billed on a per hour basis using applicable staff rates based upon the then current Board adopted wage scale and the OSFM rates and fee schedule for volunteers established by this Appendix A. If extrication is needed an additional \$650 will be applied. Miscellaneous supplies and services, if applicable, will be based upon scene
